Final Assignment
"Wrap-up"

Learning Objective:

To find out if anything was beneficial.

Task:

Post in the Forum topic Assignment 8 - What I Learned one thing that you learned that may help you in your work to do a better job, or to approach your work differently. If you currently do not have a job, name one thing that you think you might use whenever you get a job. Discuss how this will apply or how it will interact with your current or ideal position. While not necessary or required, feel free to reply to other students’ postings.

Deadline:

Friday, 7 August, 3:59 p.m. (note the different time)

Grading:

10 points: Based on perceived effort given to the answer
