Human Resource Issues, Page 2

Following is a list, in no particular order, of some of those issues that we may need to deal with as a supervisor. Even if you haven’t been a supervisor before, chances are you have been (or are) an employee. Give some thought to your experiences in these areas, and think about what challenges you might experience.

Hiring:
Qualifications
Discrimination
Background checks
Accessibility

Policies:
Sexual harassment
Drug testing
Discipline

Leave:
Vacation
Sick
